Pangasinan State University

Bachelor of Science in Information Technology

San Carlos City, Pangasinan

2021 – 2026

WORK EXPERIENCE

Management Information System and Marketing Communications Intern at Newtown Plaza Hotel

February – April 2026

- Created promotional materials including posters, signage, social media advertisements, and iPad welcome displays for hotel events and partner organizations.
- Edited promotional videos, teaser content, and event documentation videos for the hotel's social media marketing campaigns.
- Assisted in photography and videography coverage of hotel events and activities.
- Provided technical support during events, including audiovisual (AV) equipment setup and coordination.
- Supported basic hotel IT operations such as troubleshooting and assisting in smart lock maintenance.

Freelance Web Developer

Self-Employed | 2022-Present

- Designed and developed custom web-based systems for clients using PHP, Laravel, MySQL, and JavaScript.
- Delivered projects such as document management systems, student portals, and inventory tracking systems.
- Collaborated with clients to gather requirements, implement features, and ensure successful project delivery.
- Provided maintenance, troubleshooting, and user support after deployment.
